## Vigil Antislip Ladder Rung Covers

The highest quality, longest lasting antislip worldwide. Permanently eliminate the risk of slips and falls from ladders by increasing the surface area for foot contact and greatly increasing the coefficient of friction and visibility. Vigil Antislip Ladder Rung Covers handle the toughest weather conditions. Spillages and even immersion in viscous or corrosive fluids will not adversely affect their performance or lifespan. Only Vigil Antislip Ladder Rung Covers provide a guaranteed level of protection from slips as well as substantially increasing the useful life of the ladder.
